“ *I miss you so much, we just moved and I have been going through all our pictures for decoration and boy you are in almost all of them..pain to my heart to see your pictures and know I cant see your face!! Your bro got his own man cave in the new house and hung your pictures all over the wall in there.. I know he hurts so much every day and it kills me cuz you were his best friend and man boy is he lost with out you.. We all are, but he is just not the same anymore and there is nothing to say or do to help that pain he has for missing his bro!! i hope your watching over him, cuz boy he really needs it!!*

“ Jason...it has been over a month. I still see your smile in my head..hear your laugh in my ears..The pain that i feel and the tears that I cry are not for you bc I know that you are in a better place and are ok. The pain and tears are for us...for knowing that life will never be the same..is it selfish? Maybe so..but always remember that I think about you everyday and I love and miss you so very much..We will see eachother again..I Love You BooBoo!

“ I found out about Jason's passing by sheer coincidence today, and even though it seems like a life time ago when he was my greatest childhood friend, he will never be forgotten. The truth is we lost touch, but I never stopped considering him a friend. years after leaving Willis, I tried so hard to reestablish a connection with him. Regardless, I'm sure he turned out to be a great guy. I don't doubt that he will be missed by many. Wherever I go, Jason will live in my memory. Ms. Aubry, Mr. Limas, Rene, and Brandy, my deepest, dearest and sincerest condolences. My thoughts are with you all. The world lost a really great person.

“ Jason was my teammate in this family. Every time we were around each other we laughed and had GOOD TIMES..It sure is lonely with out his big smile or good ideas on how to get us in trouble by Rene. You are forever missed and loved..Hold it down for me up there and I will be holding it down for you down here. Ashley

“ I have known Jason sence he was 9 or 10 years old. He and my daughter Kamala were boyfriend and girlfriend for a couple of years in school. I believe he moved away and when he returned ,he became in contact with Kamala again. They hug out alot. He also got close w/ my youngest daughter Kelsey. I dont even know how to express how lonely this world will be with out him.. My prayers go out to you and your family as well as mine. He will be missed by a lot of people. Thank you....Kay Navarro
