“ *Jason's reputation in the Maritime Industry, as a 'great guy' was clearly deserved. I only worked with him for a few years, and in that short time he made quite an everlasting positive impression. I was shocked to hear the tragic news. My prayers and condolences to his family. He will be greatly missed.*

“ *My ops buddy at Riomar / Jamaris, making bologna "foldovers" with dollar bread and bologna, while pressing through office work as boarding agents.*

Will always remember Jason's infamous red ford splash truck, with the seat belt alarm that wouldn't turn off, and Golf tournaments (GSI).

A treasure of good memories of a brother gained, and shared with many.

Had the good fortune of sharing a hunt last year at Bar D, an awesome time, and forever in debt for his efforts to bring me into the Moran family.

Our deepest condolences to the family and our prayers are with you. Wishes for God's peace and comfort.

“ This is so sad! Jason was one of the best guys I had the blessing to work with! He was always helpful, friendly and supportive. Very fun to be around and I loved his stories about riding out hurricanes at home... the world has lost a wonderful guy, but heaven has gained a strong angel that will watch over his family. Much love from Spain, I will deeply miss you brother! Vlad

“ So many wonderful memories from a simpler time....when all we had to worry about was cooking out, playing water volleyball and just hanging out with good friends!! Those years were some of the best times, and Lance and I are so thankful that we shared them with Jason.
We send our sincerest prayers for comfort and peace to Jason's family, and all who loved him...

“ *Will miss my friend Jason. We worked together at Moran and we both had a love for music. He was always jamming something after hrs and on the weekends we worked together whether it was classic music, some Patsy Cline or some of the music I introduced him to. He was a good friend and will be missed. I will always remember our hunting trips together, our after hr shenanigans in the office and keep them in my memories. Rest In Peace my friend.*
