We just started to get to know you as new neighbors and we heard about your loss. Nothing could be worse than losing a child, we are so sorry for your whole family. “ Dear Gloria, Jimmy, and Steven,

How my heart broke when I learned of Jason's death and was not able to be there for you at his services. So many wonderful memories of Jason came flooding back. He was a special person to so many in our family. I remember how he always called my mother "Nannie". Jason was a well-mannered, respectful, hardworking, caring young man. Gloria and Jimmy, you are to be commended for being such good parents, and, Steven, you were such a good brother to him. I can only imagine the heartache that all of you feel as you face each new day. Let all of the good memories comfort you. We just got home a few days ago. I will try to come by soon to see you. Love, Vergie Dotson

“ Lucher Family I would like to give my condolences for the sudden loss of your son. I will keep you all in my prayers. My husband and I didn't personally know Jason but for the short time we have delivered the paper to you I feel we have gotten to know your sons just by you (Gloria) talking to us about them on different occasions. If there is anything we can do to help please let us know.

“ *It has been a long time since I last saw Jason. I will always remember the fun loving kid who loved to climb trees. There is a beautiful river that runs through Heaven with an abundance of fish. Jason has joined his Grandpa Stash, Great-Paw Paw Enick, Great Uncles Jerry and Bill and they are at this moment stretching Trot-lines across that river. By the time We get there no more fish will be left. I love you Cousin. And save some for us.*

“ Jason, you'll be missed more than you know. Cookoffs, camping at the river or just hanging out together won't be the same without you. We had some fun times together, big fires and good stories. Garrett has his own "fond" memories with you on the boat rides, fishing & camping or the cookoffs when yall stayed the night. We were looking forward to the day that the "cookoff crew" would get to go with us to our new place in Oklahoma to hunt, fish, cook and just hang out and enjoy each other's company as we often did.

Gloria, Jimmy, Steven and Kerri...We wish we could take away the pain. Jason was a wonderful man who made many people laugh and we're sure he made you proud. We could call on him anytime to help in any way and he would be here. He is irreplaceable!!!! Just wanted to let you know that you are all in our thoughts and prayers. He will be missed tremendously.

“ Although I did not know Jason as well as others, there will always be a place for him in my heart. I had such a crush on him...I felt like a little school girl around him. I usually saw him at the BBQ cook offs, and he seemed to always be having fun. I don't think I ever saw him without a smile on his face. I will never forget that smile. Steven, Kerri, & Logan, I know it's hard and words can't make the pain go away, but just know that I am here for y'all. Mr. & Mrs. Lucher, even though we have never met, you are in my thoughts and prayers. May God give you all the strength you need to get through this trying time.

“ In loving memory of Jason -

*You were so full of life,
Always smiling and carefree,
Life loved you being a part of it.
You could make anyone laugh,
If they were having a bad day,
No matter how sad they were,
You could take the hurt away.
Nothing could ever stop you,
Or even make you fall,
You were ready to take on the world,
Ready to do it all.
But God decided he needed you,
So from this world you left,
And you took a piece of all of us.
It's hard not to be able to see your face,
But please always know this,
No one will ever take your place.
You left without saying good-bye,
And we can't seem to stop,
Asking the question why?
Nothing will ever be the same,
Our hearts are empty without your laughter,
But we know you're in Heaven,
Watching and looking over us.
It hit us by surprise,
And when you left this world,
A small part of everyone died.
Your smile could brighten anyone's day,
No matter what they were going through,
Please know everyday for the rest of our lives,
We will be missing you.*

We love you and miss you now and forever!!!

I am so sorry for your loss. I have fond memories of playing Bunco at Grandma Nowak's and Aunt Pat's (now mom's house) with Mrs. Lucher and the boys.
Jason could always make me laugh and could always be counted on for a good laugh. May God be with you in your time of grief and remind you of the happy times.

“ Dear Jimmy, Gloria, and Steven,

You are all in my thoughts and prayers. My family and I send our love to each of you. Having suddenly lost our son almost seven years ago, we know that there are no words to ease your pain. I find peace in knowing that my son, Kevin, is safe and nothing can ever happen to him again. We will always miss him so. Although he is no longer physically present, Jason will always be with you in everything you do. Focusing on his life and the way he lived will give you so much inner peace and the strength you will need in the days ahead. I know that a piece of your heart has been taken from you. Frank and I can identify with your loss as parents. As a sister, Amy can identify with what Steven must be feeling. Your faith and the love and support of your family and friends are so important. Our hearts go to each of you and we send our love.

Although I did not have the pleasure of getting to know your family, Jimmy, I do think of you and all the family times we had at Momo's and Popo's when we were growing up.

Love, your cousin,

“ Jason, I need a cuddle buddy and you were one of the best. I wish we could laugh at Kerri and Steven in the camper at Crystal Beach again...To the family, your loss is shared by my family, too, and I am so sorry for your pain. Thank you Steven and Kerri for allowing me into your lives so that I could have enjoyed Jason for the time that I did. I love you all, and my heart goes out to your loved ones. Please do not hesitate to call if you need anything. All our love, Erika, Todd, and the kids.

“ Jason,

You are so loved and missed. You were my first best friend, tree climbing buddy and fellow mud puddle lover. It's impossible to believe that you are gone. I know that you are happy and healthy now but we miss you so much. I'm so happy that you are my cousin and that a little piece of you lives on in every one of us. You touched more people that you can ever know. We are all truly better for having you in our lives.

Gloria, Jimmy and Steven,

I wish I had some words to ease your pain even a tiny bit. Jason was so special to all of us. A heart of gold and fearless, he could light up a room with his laughter and stories. I wish I could hear a million more of them from him. We are all thinking of you and praying for you and crying with you.
