“ My prayers and condolences to you Don, Wendy, Charles, Trevor, Mike and the rest of the family. Jean and the rest of your family opened your home and hearts to me so many times. She made me feel like a member of the family. Please find sanctuary and trust in God's love for you all and your Mother, as I am sure it is God's will to have such a caring and beautiful woman to serve at his side. She without a doubt is an angel and will be with us, looking after us all as she did while she was her on earth with us.  
She will be greatly missed, until we meet and see her again in heaven.  
Lots of Love, Andy

“ Don & family. We are so very sorry we can't be there to share your sorrow. Jean had so much vitality and enthusiasm for life. Her personality and warmth were apparent to anyone she met. We will always remember the good times we shared together esp. in Mexico and Alabama, the visits in each others homes. There is no way we can forget her competitive ways when playing cards or the no. of golf balls she could drop to get the results she wanted with us. We will deeply miss her and her bright smile. Love, Ed & Betty

*We never really lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing our lives have been enriched by having their love.*

*The more than 20 CASA children you stood strong for and spoke up for are truly lucky to have had such wonderful advocates in their lives. Their world is truly a better place because you took the time to care about them.*

*My thoughts are with you & your family during this difficult time.*
