I loved Aunt Jeannine with all my heart. We had a special connection because she had been a friend of my Mom's when they were much younger (whom I also lost to cancer way back in 1989). Jeannine used to tell me that she "loved being my mom FOR my mom". I was in awe of her Christian heart and I thank God for being able to say "so long" to her in the hospital this past Mother's Day. I will indeed miss her.
