“ *to the Beloved Bartee Family, I am so sorry for the loss of your uncle. I grew up hearing tales of the Bartee family and my dad growing up together, so I know he must have been a good man! It is sad to see how our large families are losing all the aunts & uncles we adored so while we were growing up. I guess before long we will be those adored aunts & uncles to all our nieces & nephews! Big hugs to all your family & please know that you are all in our thoughts and prayers!*
