“ *I was so saddened to learn of Jerry's death. I remember our school
days in New Waverly as well as his time as
Constable. He was always kind and soft spoken and genuinely
interested on the well being of others. It was always a pleasure to
see him in the grocery store and visit for a few minutes. I know that
you family members have so many wonderful memories of him that
he will live forever in your hearts. Blessings to you, Vergie*

“ Dear Adamick Family,
Don & I are so saddened to hear about the passing of Jerry. He was such a dear friend to us and we spent many a night just hanging out in downtown New Waverly and running the roads in our high school days! He was a friend to all that ever met them and always there to lend a hand when you needed it! I just saw Jerry last week in WalMart speaking to a man and I so wanted to talk with him but did not want to interrupt...now I wish I had! Please know that your family is in our thoughts and prayers! God Bless You All...
