

Jerry Pat Allamon

August 7, 1950 - December 21, 2020

Jerry Pat Allamon, passed in peace, at the age of 70 on December 21, 2020 in Montgomery, Texas.

He is survived by the love of his life, Shirley Jennings Allamon, and they were married for 47 years.

He was the loving father of 2 daughters, Patricia Allamon and Jessica Taylor; and father in law, to Steve Taylor. He was the proud grandfather of Jacob, Abigail, Lesley, Carlos, and Jesse. Jerry was the brother of Deborah Wooten and Mike Allamon. His is also survived by nieces, nephews, other relatives and friends.

Jerry will be fondly remembered by family and friends as a devoted husband, awesome dad, loving grandpa, generous boss, faithful friend and an innovator in the oil and gas industry. His laugh was like no other, his habit of calling everyone 'hand' was endearing and his willingness to mentor and encourage others to make their own path will always be remembered.

And Jerry is looking down from heaven and saying to us still here... "you're doing all the good, hand!"

“ *The ‘Hulk’ was truly one of a kind, I enjoyed each moment with him drilling wells all over the place. I was always in awe he accomplished so much with such veracity. His laughter and demeanor was genuine as anyone I’ve ever known. Rest in peace Hulk!* ”

“ As a wife to one of Mr. Jerry’s “Hand’s” , he treated his employees like family . He was a kind , giving , and an amazing man .
The first month my husband was employed with Allamon Tool , Hurricane Katrina hit . Mr. Jerry sent Tim home to be with us prior to landfall. He was checking on us until the moment Katrina hit and lost cell service.
When Tim was able to find cell service , Mr. Jerry offered to send a generator , fuel , food etc . and accommodations in Montgomery until until electricity was restored.
It would take many books to write all he has done for us .
He will be greatly missed.

“ My Pastor used to say in your life if you have 5 real friends you are lucky. Jerry was one of my 5. He was there for me during some critical times of my life. We went a lot of places together all over the U.S. He loved sports, good music, and traveling. One of the last times we conversed he did not paint a pretty picture for me which made me very sad. Now that I look back, I think he was preparing me. You can never be prepared for this. Jerry & Shirley did a lot to help my 3 daughters and they are all to use his "phrase" tore down and sad also. My Brother rest in paradise you deserve it you are now healed. The Girls and I will be praying for strength for Shirley, Jessica, and Patricia in the coming days. Until we see each other again.
Much Love,

“ Jerry sponsored the summer basketball team for Montgomery High School and loved to coach. He made most of the home basketball games and you knew he was there with his great voice and laugh. My son, Barrett, was the recipient of his generosity and believed in his talents as a player. He turned the summer team over to Barrett to coach after he graduated. Jerry was the one who supported every group that asked for a donation. He gave his heart and spirit to the young people at M H S. In the summer of 2019, Brock needed a job as an engineering intern. Jerry said go see Mark and he will get him going. No problem...Jerry was that guy, whatever you needed. He was incredibly smart and modeled commitment with hard work. Jerry was a good man and our whole family was blessed to have known him.

So sorry for the great loss of Mr Allamon, but the best thing is that he is not suffering any longer. I never had the pleasure of meeting Mr. Allamon, but from talking to people that knew him, they had nothing but good things to say about him. Philip Vezorak (P J Trucking)

“ I’ve been blessed in my life to have known three extremely smart men, but also had common sense. My dad, Hart S. Young, whom I worked with for 15yrs, and Jerry, whom I’ve called Boss for 15yrs. Truly the best boss I’ve ever had.
I’ll miss those 45 minutes phone conversations, while he or I were driving. Always starting out, “Where you at” then, “ you doing all the good, hand”.
I’ll miss my Boss, but more than that, I’ll miss a truly GREAT FRIEND!!

“ *My most sincere condolences Jerry's family. As a longtime former employee I benefitted from Jerrys generosity on many occasions, and saw it on many others. He built a company that rewarded hard work and dedication, and helped many provide for their families over the years. He was a man I respect and I am grateful for the time I spent with him and his company. He will be missed.*

“ Shirley, Patricia and Jessica, I am so sorry to hear the passing of Jerry. He was a big man with a big heart. I had the pleasure of working with him for many years. He made me a better man. He also taught me humility in life. That laugh, everyone knew he was around. He was one of the best in our industry. I know he loved his family dearly. God just gained a new protector of the gates. I was honored to know him and call him my friend. May your pain be released knowing he is with our God in heaven. He was truly "The Man".
