“ *Aunt Marilyn, Melanie and Kevin,
I am so sorry to hear about the passing of Uncle Jerry. I didn't know until my dad shared it during a phone call yesterday.*

He was a good man with a smile like my mama and a laugh I still remember! I pray for comfort and healing in your hearts.

*Love,

“ Whenever I had car problems, I would call Jerry and he would advise me as to how to fix the problem. When I had a car that the gas filler pipe was leaking and no one would weld it on for fear that there would be an explosion with the gas fumes in the tank. He told me to drive the car to his shop and we removed the gas tank and gas and he used an exhaust from a motor to drive out the gas fumes and fill it with exhaust fumes. and he welded it on without any problems. He could weld anything. We had many conversations about car choices and he was usually right. We will always miss him.

“ We send our sincere condolences to Marilyn and Family upon the passing of Jerry. Jerry was my brother-in-law and was a very fine husband and parent to his children. He worked very hard to always support and take care of his family and did a good job. They always had a good home and care. He will definitely be missed by everyone!
