“ Our prayers are with you. Don was a big man but not as big as his heart. He was always layed back and lisened to everyone even if he didn't agree. I never saw him angry. I know he will be greatly missed. Debbie was out of town and I missed the notice until it was too late or I would have been at the service. I know he had lots of family but if there's anything we can do to help please call. Love you all!

“ Pam and family, we are so sorry for your loss. I've known Don for so many good years. What a wonderful person he was, just to be around and visit with. I really enjoyed working with Don. There were no mistakes when "Don Did It". I always had to kid Don about his conduit bending he was just an artist at it. Rest in peace Don, we'll all sure miss you.

“ My deepest sympathy to all the Barnes family. You are all in my thoughts and prayers. Don was special and won't be forgotten. He was the man that you wanted your son to be like, a loving husband and a GREAT dad. There will never be another man like him, sweet and generous. He loved his family and was so proud of all of you. Cherish your memories.

When I met Don I remember thinking he was the sweetest guy and somewhere in the back of my mind I always thought that if things didn't work out with Ronnie, Don would be a great catch. (Not that he would have wanted me) When Ronnie and I first married Don spent almost every weekend at our house and we were the three musketeers. We had so much fun together just being goofy "kids." Of course eventually we had to grow up and be responsible adults. We had Nathan and Amanda. Don married Pam, and Jeremy and Lindsay were born. We got busy with ours lives and let things get in the way of our friendship. We thought there would be plenty of time to catch up. If only we had known that time would be our enemy. Forgive me for never telling you what a positive impact you had on my life. Rest in peace and know that you are loved and will be missed!
