

Jerry Stroud Moorner

June 12, 1939 - February 6, 2018

Jerry Stroud Moorner and his son, John Stroud Moorner, passed away this week in Huntsville. John preceded his father in death on February 2, 2018 at the age of 44, from a heart attack. Jerry passed away early on February 6th, at the age of 78, from injuries sustained after a fall.

Jerry and his wife Judy moved to Huntsville in 1971, when he joined Bobby Murray in the land surveying business. They would form the company which became known as Murray and Moorner Surveyors, then Jerry would continue in business through 2018, owning Moorner and Woods Surveyors. He and his wife Judy had two children; John, was born in October 1973, and their daughter, Julie, was born in January of 1976. The family was members of First Baptist Church, and Jerry was found each Sunday greeting visitors and serving as a deacon.

Jerry was a much respected business man, but will be remembered for his dedication to his family. His humor, love and honesty will be missed by everyone who had the pleasure to know him. His son John is remembered for his love and acceptance of others, his faith in God, as well as his generosity and sense of humor.

Jerry and John are survived by Judy Moorner of Huntsville, Julie Giles and her husband Dainon Giles, and their daughter Alex Giles, all of Little Elm, TX.

Jerry also is survived by his brother Milton Moorner of Nacogdoches and his family, and his sister Mary Lynn Teutsch of La Porte, TX, and her family.

Graveside services will be held Friday, February 9 at 11 am in the Mayes Addition of Oakwood Cemetery in Huntsville, and a celebration will follow at 1 pm at First Baptist Church of Huntsville.

In lieu of flowers, memorial donations should be given to the HEARTS Museum of Huntsville, in the name of Jerry and John Moorner.

“ *We are recent residents of Huntsville and are still finding new friends. Mr. Moorer was so helpful at church with my husband's wheel chair. He lifted it up and put it back in the car on many Sundays, along with other great Christian men of First Baptist Church. We were not aware he had passed away until this Sunday. God Bless His Family. “ I don't remember not knowing Jerry and I'll always remember his smile and sense of humor. On Sunday he'd be the first to remind me to put my offering in the plate! When my mom passed away in 2001 he was the first to come knocking on our door, I'll always remember that. RIP Jerry and John and our deepest condolences to Judy, Julie and family

“ *Mr. Moorner was the most humble person that I have ever met. When I first started working towards my surveying license he talked to me often, expressing a willingness to share his knowledge of surveying and business practices. He was much more than a mentor and friend and I could tell that he wanted me to succeed in obtaining my license. When I decided to open my business, we talked about ways to succeed in not only business but how to separate it from everyday life. I enjoyed the time we spent talking and he always had a smile on his face. He was the rock of our Texas Society of Professional Surveyors Chapter 20. He has been a blessing to my wife and I and he will be greatly missed.*

“ Jerry has been a dear Friend for many years. Jerry has also been a trusted Professional whose vast knowledge and judgement we relied on numerous times. He was a loving and caring Father - Husband - business associate ,but most of all he was always a joy to stop by and trade barbs with. I will miss walking into his offices and having great conversations and ALWAYS leaving with a smile. Jerry will leave a real hole in our part of the world. God Bless Judy and their wonderful Daughter and family ,who Jerry loved with all his heart.

“ *Judy and family,*

Our hearts are broken and we are at a loss for words. We pray that God gives you comfort and peace in all your wonderful memories and in knowing that Jerry and John are at home in Heaven. Jon and I are so blessed that we were able to know Jerry for so many years and we are proud to call him our friend. He had a smile that brightened the room and I looked forward to the hugs that I got every time I saw him. Each time I talked with Jerry, it seemed as though my troubles just faded away and the world was just a much better place. I am going to miss him so much as I know you will too. Judy, we are just a phone call away and I truly mean that. Love, prayers and hugs to you and your family. Just remember that this isn't goodbye.... it's just goodbye for a while.

With much love,

*“ I extend my sympathy to the family of Jerry with their loss. Jerry was one of my classmates at Nacogdoches High School. I remember him as a bright student with good manners, caring and respectful of others. The last time I saw Jerry was at a class reunion April, 2017. He was still caring for others by bringing a classroom who was in ill health and unable to make the trip independently. He truly was a good example for others to follow. God bless each family member during this time of sadness and grief.
