“ *We will miss our visits with Uncle Jr. for sure.*

*Chatting about the past and future.*

*We will cherish the fig and peach tree that he rooted for Sherry. We will do our best to watch it grow and have the fruit on it like he had on his.*

*Sherry took a piece of that fig tree to a flower show and won 1st prize. Of course she had to call Uncle Jr. right away and let him know she had won 1st place with his fig branch. He was so tickled. That was just one of the things that comes to mind.*

*There were numerous memories we will treasure till we leave this earth to join him and the rest of our loved ones. Our thoughts are with the family and will pray for peace for each one.*
