“ *Ed and Rhonda,*

We are sorry for your loss and are praying for you at this time. I know you will miss her and how hard it is to transition through this life event.

I am still enjoying your Mom's golf clubs, I will think of her every time I use them.

“ *I only got to know Ms. Judy recently, after she joined our Sunday School class. I was able to visit with her several times during the last few months. I enjoyed our time together. She was a pleasure and I'm thankful that God gave me the opportunity to know her just a little bit before he took her home. My thoughts and prayers are with her family at this time.*
