“ *Jewel truly lived up to her name. She was a lovely person in every way. I was so impressed with her after our first meeting at a family gathering that I sent her a letter using the verses from Proverbs on the virtuous woman to describe her impression on me. My late father said many times that Jewel was the epitome of the gentle Southern woman and Dad loved her qualities. Rest in peace, sweet and polished Jewel, and may God and His dear Son and the angels enjoy you as much as all of us did. Praying for peace and blessings for all in the family there as you lay this dear one to rest.*

“ I had the honor of meeting Ms Jewel at a family dinner. I believe it was Easter. She stole my heart. She was precious, loving and kind to me. She and the rest of the family made me feel welcome and right at home. I will cherish the conversation we had that day.

“ I was blessed to meet Jewel, Herbert, and Mary twenty years ago. Jewel was precious, and a great woman of faith. I was blessed by many good times with them all. I often say my wealth is my friends... I lost a precious Jewel today. My prayers are with her family in their time of loss. I'm thankful for having Jewel in my life, and for her family sharing her with me. I loved her very much.
