“ *Dear Bucks' family,*

It is always painful to me when people die, it is more painful when it has to be a spouse that has been with his mate for a long time like Jim did. Although I don't know him or any in his family, but be sure that you are in my prayer. May the creator of heaven and earth give you all the fortitude to bear your loss. Hope to see him soon in resurrection of the dead. Act 24:15
