“ *To the entire Dickey family. I was so sorry to read about Sue. Your family has been special to me most of my life, being one of the first families of friends in the '50's. How many nights I remember listening to Mr. Earnest and my Dad during the dominos games. The years you were neighbors to Ronald and me. Working with Sue at the University. Working with Steve at Niederhofer Chemical. Then lo and behold to work with such a fine young man as Wyatt. Your family is truly an example of good values and family ties. Darrell, God be with you. HE will give you strength to go on with your life as you all miss Sue. Debbie, Steve and Grant, I am so glad you are close to give your Dad some loving support.*

*Mom and I will keep you in our prayers. Call if we can be of help in any way.*

“ Grant & Family, I was so sorry to hear of the passing of your mother. I have many fond memories of her throughout the years. I will always remember her words of wisdom and gentle and encouraging voice. She had a comforting hug that came from the heart. I felt her sincere love when I was near her. I will always remember her wonderful country style meals straight from the garden served with sweet tea on those hot summer days. Please know that you and your family are in our thoughts and prayers during this difficult time!
