“ *To Kelly, Susan, and family,*

Jim was the absolute best. He was such a kind man, and I have fond memories of him from childhood. He was never without a smile and he took great delight in laughing at our childhood antics. He was such a good dad to Kelly and Brent. I am saddened that he was taken home so young, but am sure that he is well wherever he is.

I am so so sorry for your loss! I wish I could attend the funeral.

Love to you all.

“ Jim was such an great man, never without a smile on his face. Loved to show off his bass boats (never forget when he got a gambler). Loved being a Houston Fire Fighter. Will miss seeing him at the store for coffee in the mornings. He was a great dad loved his grandbabies and Susan was his joy in life. Thank you for sharing him with all of us. We are here for all of you. We will never forget him and his great talent of woodworking. Prayers to you all.
