“ Keith I will miss you ,but i have missed you for years. The years we spent together were good & bad but most of the times were good. You shared your family with me and that meant a lot to me. Pat was like a second Mother to me always looking out for me. Candace, the wild child, was always a trip to keep up with. Cindy tried to give me God,which I finally did find. You always had time for your kids and your friends. When I feel lonely I stop and listen for your laugh it always made me feel good and the twinkle in your eyes, You will be missed so much. “ Keith, what can I say..I have only known you for a few years and have gotten to know you better in the past 2 years. You were such a fun loving, kind person. You would do anything for anyone! Everytime I seen you you were just so happy! And that is something I will not forget about you. I enjoyed the time that we spent together. And I am so sorry that this happened. My heart is with the family in this time as I know how hard this is. You will be missed by so many and I am so glad that I had a chance to meet and know you. RIP My friend, no more suffering!

“ Keith, I will miss you, it was always good to hear your laugh when you were making jokes with Brad and Nicole. All good memories of you will never be forgotten. Especially last christmas. I'm happy to know you got to spend time with Brett also, even if not for long. It meant a lot to Nicole that you came up before Christmas and saw Brett. It even meant a lot to me and mom. You always made everyone, including me, laugh when you would visit. And we will miss those times very much, but we still have our memories of you with us. Even though you were my brother and sisters father and we weren't blood related, you were always family to me. May you rest in peace and God Bless your Family. As much as it pains me to say this, Goodbye Keith.
Love Kayla.

“ With sorrow and regret I am writing to say goodbye to you.. You leave behind beautiful children and a grandchild that will grow up without you-PAPA. I did get the best out of you- I got your two oldest children-who I love dearly. We were so young when we were together, but good memories-I heard that they are playing David Allen Coe's song at your service, I can still see you riding around with me in J-town, while you sang that song to me. I wish things could have been so different, but we can't live with the should've and could've and would've.
Your laugh will be missed, I have always been the serious type and it was the Jungle Jim that made me laugh. May God bless the family that you leave behind. You will be missed. Love Robin

“ It is with a sad heart that we return "Keith" back to our Lord. He will truly be missed by all that had ever met him but he leaves us with sooo many wonderful memories! I loved hearing Keith's honest laugh, because there was never another laugh like it! Keith was always such a fun loving and life loving person, from an early age. We never knew what to expect Keith to do because then he would go and do just the opposite. He is being reunited with his wonderful Mom, who loved him very much! He loved his children & grandchild with all of his heart and he loved the mothers of his children. He was such a special person and will never be replaced. I know I'll forever miss my cousin but I'll never forget him! He is in a better place now... peace is finally with you!
