“Amber”...Sharon and Brandi, I am so very sorry to hear about your/our loss. Jimmy was so patient and understanding, and played such an important role when offering his home/barn for the love of your/our friends to gather in fellowship during our conventions each year. He truly will be missed by all of us. When I lost my Robert 33 years ago, I didn't think I would see the light of another clear day, but I did. What I am trying to say is; The pain will never go away, but it will get easier. Now Jimmy is resting in the arms of Jesus, and is no longer suffering, and this we should be grateful although very hard. I am so sorry I can't be there for you and your family, but I am there with you in my spirit and prayers. Just lean on Jesus and find comfort in him, and he will get you thru this. I am sure you have many questions, "WHY?", but we must trust the Lord in why he chose Jimmy to be just one more "ANGEL MEN" to be with him in Heaven. We must continue to live our lives so we too can join our loved ones in HEAVEN. Losing my Robert seems like yesterday, but I cannot wait until the day we all can be reunited with our loved ones who have gone on before us....GOD BLESS YOU, BRANDI and the rest of your family..I Love You, Sharon "JOYRIDE"

“ Sharon and family, you are in our prayers. We have faith that the Lord will help you through this. Jimmy lived such a blessed life. He touched so many people's lives as an angel would.....hold on to knowing that the Lord loved Jimmy so much that he allowed him time to do and say all that needed to be. Our father did not let Jimmy suffer long. Jimmy will truly be missed. With all our love, encouragement, and prayers,

“ Sharon, our deepest condolences for your loss. My personal memories are of a man who always got the job done, who didn't mince any words and who loved to have fun. It was a pleasure to know him and Doug and I enjoyed each and every party and time with you guys. You see, for the short time that we are here on earth, each one of us have the opportunity to make some noise and make damn sure that we are remembered. Jimmy was taken away too early from the world, but he certainly will be remembered and his spirit is alive in all of those memories.

“ Donna,
You and your entire family are in my thoughts and prayers. I pray for your peace and understanding of what has been God's will in your lives right now. Your father was a joy to be around, I will always remember him as our "Donut Man" he always had a smile on his face and full of laughter everytime I saw him. Know that he is in the presence of our Lord and Savior Jesus. Everyone is thinking of you here at JHS. God Bless you and your family. Gerri
