“ *Dear Carla, Carlton & family, your mother came into my life when I was a junior in New Boston High School. We became friends immediately and enjoyed our time in the band. I married and left right after graduating, but Joann continued to visit my Mom & Dad. I still have the wedding present she gave to me almost 53 years ago - a kitchen set that had a meat fork, meat knife, and spatula. I think of her every time I use any of them - which is often. I pray that your wonderful memories of her will help you get through your pain.*

“ *I enjoyed talking to Jo Ann while fixing her hair. She had a very sweet spirit, and she loved to talk about God. She will be missed, but I enjoyed the time I had to get to know her and her grandson Donovan. I know she will be remembered as a loving mother, grandmother, and friend. May God bless you in this time of grieving. Love Darlene Piper*

“ My aunt JoAnn was the most beautiful soul I've ever known. She introduced me to wonderful worlds I would never have known without her. She taught me to be good to myself. I love her with every fiber of my being and I will miss her soooo much. Carla & Carlton, I am sorry for your loss. Know that I am praying for you both, and I love you very much.

“ Carla and Carlton, I will always remember the good times I shared with your Mother. Our military days with you two growing up were wonderful years. I have enjoyed all the visits Joann and I shared, I loved her like a sister. I will miss her terribly and I will think of her often. She was a real lady and loved by my sons and me.

“ I worked with JoAnn at Elf/Total and have memories of a sweet, wonderful and efficient co-worker and person. She always had something good to say about a person. She was always there to help, no matter who. She was a fighter and wanted to survive for her family. She loved everyone, especially her children. She will always be with those who loved and needed her. With deepest sympathy, Gayle Patterson

“ Carla, Carlton & entire family,

I'm sure I don't have to tell you what a "special" lady your sweet mother was. I had the joy of working with Jo Ann for many years, and I must say she was the most selfless person I have ever known. Never did she put herself first in any situation. She made "work" such a pleasure. I treasure that time in my life and also the few times I was privileged to go with her to a few of her doctor's appointments over the last few months. Was such fun reminiscing. She loved her entire family more than her own life and I know you will miss her terribly, but it is also so comforting to know she is now in perfect health resting in the arms of Jesus.

May God Bless all of you, especially little Donovan. May he always remember what a "special" grandmother he had and that she loved him so very,very much.

*Love,
Carolyn Campbell*
