“ *Lana,
My family, my friend...what a great loss it is to not have you in my life anymore. I know that through the pain we are suffering here, you are watching above with love. I thank you for being there for me and showing me love and kindness...I will never forget you and I am comforted by the fact that I know that you are no longer in pain and that you are watching over us. I love you, my Mushy...Always!*

“ *Hi Jonathan, it's us again. Our last message had some errors. OOPS! I typed too fast. We want to bring some food to your home tomorrow (Sunday), if it's okay? Nathaniel and I prepared a serving plate for you and your family. Please have your aunt call us if she has time. We sincerely want to help you both. We love you. SARA and NATHANIEL ROESLER*

“ Dearest Jonathan, We were so sad to hear that your grandma died. Nathaniel and I have been trying to contact your grmma and you for the past 2 weeks to come barbecue with us. When Nathaniel called you Saturday night, he just was calling to ask you to spend the night. He found your grandma's cell phone number. We love you and want to help you in any way possible. Your grandma was so very special. We are here for you and will try to make this painful loss a little more bearable. You're such a special boy! Please ask your aunt (we met her, and she and your grandma took you both to the water park) call me, so that I may help in some way; without invading your privacy at this time. I'd like to attend the funeral service too, if it's okay. We prepared some ; and just hug you. I just cannot believe this. My heart is so very sad for you and your family. Nathaniel feels so bad. We always had so much fun around you both. She loved you so deeply and was so very proud of you. We are here for you. Love, Sara and Nathaniel Roesler -936 582 1894 2070 old river road montgomery 77356.
