“ *My nanny and Papaw would take my cousins and myself to Richland Chambers every summer. We would fish, swim, eat bar b que, and play with the local kids who were our friends. We would laugh and sing. We would all put on our papaw's white t-shirts and sleep on a pallet that my Nanny would make us. Oh what fun we would have! Then that time when that big ol bull let us see him urinate, my mouth dropped, lol... That was some funny stuff, back then, lol. Hope that wasn't too much for this*
