“ *Joanne was a joy for those around. She was uplifting for her students. When I would come to the junior high I would see her and we would talk about our kids and then our grandchildren. I know she made many "cookie jar memories" with them. Prayers to the family.*

“ *I remember Joanne always made the best scrambled eggs in the mornings at the Jr. High. I could smell them as I came in to sign in and she would invite me to breakfast. The sweetest woman ever. She would always say, "Let them fry....don't turn them so quick....they are called fried eggs for a reason...let them fry and then turn them." I loved talking with Joanne.*
