“ *Words can not express my sympathies and sadness in your loss. But know that you are on my mind, and in my thoughts, prayers, and heart. May the peace of the Lord be with you...Kris*

“ *Lamar,*

I am so very sorry for your loss. Jodie was a unique, wonderful person with an incredible laugh. She was dedicated to her family and her work and it was a privilege to have worked with her. I have thought of her often over the past few years that I have been gone from SHSU-FA. Lean on the Lord - He will be your strength during these times.

“ Lamar,

Even though I didn't know Jody very well I felt like I had always known her. She was easy to talk to and had a very rare and wonderful attitude about life. She was an inspiration to me and I know from hearing what others have said about her, that they feel the same way too. Know that we are going to be in prayer for you and if we can do anything to help you, we're here.

*In Christ Name,

“ Lamar, you know how Jodie and I cared for each other. Remember all the times we spent together. I am truly saddened by her passing and regret I could not attend her funeral. However, you know how deeply I feel for both of you and her. Find strength in the Lord and continue to trust Him. So many people have said such kinds words about her but you know first-hand how kind and loving she was. I remember when we were both at home ill how Jodie would make me laugh and forget what I was going thru. She was just that kind of person. I will truly miss her.....

“ Lamar, the Reese family is saddened by your loss and during this time of mourning may you lean on God through Our Lord and Savior Jesus Christ in this difficult time. Remember, "Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort;
Who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God".

“ Mr. Peevy,
I often had business meetings with your wife while she worked at the financial aid office, and I was always amazed at her strength and optimism in the face of great odds. I enjoyed hearing stories about her travels with you. I know those trips were particularly special memories for her because her eyes would light up. My prayers are with you during this time.

“ Lamar: Henry and I are surprised and saddened to hear of the loss of Jodie in your life. She was a very special person and Henry and I enjoyed sharing time with you both on the cruise this past Dec. It was a joy to just be around Jodie. We had hoped to see you both when we come back to Texas.
Our thoughts and prayers will be with you and Jodie's family now and in the days to come.

“ Lamar, I don't know if you remember me, but I worked with Jodie for 5 years at SHSU. She was the most positive and joyful person I have ever known. I am deeply saddened by this sudden loss-a wonderful friend, boss, and wife. Please know my thoughts are with you and your family at this difficult time.

“ I had the pleasure of getting to know Jodi and working with her at SHSU. Jodi and I started about the same time at SHSU and worked together on several projects and stayed in contact over the years. Jodi was always a joyful ray of sunshine to visit with. I will sincerely miss Jodi, but I am grateful for the smiles and friendship she shared with me. My thoughts and prayers are with you and your family.

“ Lamar, I was so surprised and sadden to hear of Jodie's passing. She was such an awesome person. She worked with me in Financial Aid for several years and was such a joy to be around. I knew I could always depend on her honesty and processing of the student loans. I truly enjoyed being her supervisor during those years. She will be missed. My prayers and thoughts are with you during the time of your loss. May God bless you and Jodie's family.

I will not be in town Saturday. My thoughts will be at her celebration of life. God now has another angel to help with HIS craftwork and I have two of her handcrafts to remember her on a daily basis.
