“ *My heart goes out to the family - I'm so sorry for another loss. Bless your hearts, it's too much, too soon. At least she is not suffering now and is in a much, much better place than we are! We will see her again. My prayers are with you all. (I worked with Edwina at the florist in Huntsville and met Jody there :)) Love, Debbie Pierce Jones*

“ *I will always remember you for your beautiful forgiving heart, all the fun shopping trips, your famous mac and cheese and all the stories Darren had when he come back from spending the night with you and Buddy. There is one heck of a reunion going on in heaven now that your battle is finally over. Will be keeping you right here in my heart until we meet again. Love Brenda*
