“ *To Joe's Family:
It was with sadness that I received the news of Joe's passing. We are First Cousins (Mothers were sisters). Growing up, we lived only a short distance apart and our families often visited. He was always one of my favorite cousins.
I am sure that all of you will miss him very much. I know that he had faith in our Lord and believed in Jesus Christ. He is in good hands and we pray, resting in peace.
We his family and friends in Alabama, will miss him but always cherish fond memories of him.
May God's blessing be with all of you.
