“ Dear Carrolyn,
We are so saddened by the loss of your "bigger than life" husband. We are honored that we got to spend time with him at last year's Hoo-Hoo Cruise. We will never forgot him shouting the "chat" hundreds of times throughout the week, successfully recruiting fellow passengers who didn't have a clue but wanted to join in the fun. He will be missed. We send you love & strength.

“ Carrolyn, I was so saddened to hear of Joe's passing. While I know there will be many tears shed and sadness in many hearts, Joe will always be remembered as a great sportsman, fisherman, hunter, husband, familyman but to me he will always be remembered as "A Great Friend"

Please know that during this time of grief, you have more support than one can possibly imagine.

I feel so blessed today to be able to say that I knew "Bear" and that he was a friend !

Warmest regards,
