

Joe Earl Young

January 12, 1941 - April 24, 2025

Joe Young, 84, of Montgomery, Texas, passed away peacefully at home surrounded by family Tuesday, April 24, 2025. His grandkids lovingly proclaim him as the smartest person they know. Joe skipped a grade before graduating from Goliad High School in 1957. Following high school, he spent time in the United States Navy and went on to earn an engineering degree from The University of Texas. Joe launched his career at Shell before moving to DuPont and eventually Oxy where he finished his illustrious career, retiring as plant manager in Lake Charles at the young age of 55. Joe was married to the love of his life, Rae-Jean, for over 61 years. Through the years they loved dancing, including to their favorite song, “Fraulein.” golfing, traveling and most importantly spending time with their treasured family. Joe was an avid reader and was seldom seen without a book in his hand or nearby, including daily readings of the Bible. He spent much of his life as a golfer, enjoying his time on the course with family and friends throughout the years. Perhaps Joe’s most treasured role was serving as the number one fan of his daughters and six grandchildren – making it a top priority to be at all their sport and extracurricular activities, spending countless hours driving with them in the golf cart, fishing for turtles, giving advice and most importantly loving and supporting them.
