“ To all the Remenys: I'm sorry to hear about your dad - my family sends our condolences on your loss. Your family was a big part of my life-- swimming at Goree, playing basketball/football constantly, kick-the-can on your driveway--and I have fond memories of your dad and count him among the positive influences on my own life. I've even utilized the Jack Remeny telephone technique a couple of times (ask Craig!). You are all in my thoughts. Travis (Badge) Thomson, Arlington, TX

“ Allen, Mark & the rest of the Remeny's:  
I am saddened to hear about your loss. I remember the CYO meetings at ya'lls house when we were in HS. Your dad always hugged & kissed each one of us as we came & left your home. He truly listened, cared about & loved each child that he came in contact with. We are all blessed to have known him & eternally thankful to ya'll for sharing him with all of us!

“ To Jack's family. I enjoyed my good ole days at the Goree Unit with Jack. I was a young correctional officer and he was my mentor. Every morning we talked about Hornet football and going all the way to state on the arm of David Reynolds...and we did it! He was a good, loyal friend and I know he will be missed.
