“ *There wasn't a single day that I would come to work and not enjoy seeing your face... in just a few short months me and my babies came to love our Mr. Pete.. it's just not the same walking around this place without out an uh oh where is Mrs. Tammy so I don't get caught!! You are so loved and missed by so many! At work we noticed when you went into ICU our fountain only worked sometimes and when we got the news that you were gone it stopped... I wish I had one more day to give you some hell!!!*

“ *Was sad to find John (Pete) left us when reading the Courier recently. I knew him best through Tammy. Her eyes spoke (speaks) volumes of her love of family. She has the remarkable gift of loving and caring for others (especially her family) more than she does herself. Trust in the Lord and have Faith more than understanding. All the best to Tammy and her family. Sincerely, Dr. Joe (Morrison)*
