“ *Johnny, as we remember him from long ago was always thought of as being kind and pleasant. He was a first cousin, our dads being brothers whom I'm sure all grandchildren would have adored. Good men and hard workers. So sorry we didn't stay in contact these many years. Condolences to Johnnys family and he will be remembered.*

I am so sorry to hear of Johnny's passing. I loved him dearly & remember Johnny as a kind, sweet young man that I was proud to call my cousin. To Patsy & family, please accept my regrets that I didn't follow up & keep in touch after you & Johnny visited us long ago. Please forgive me for letting our family come before keeping in touch with those who were so important in my growing up years. I ask that God will will wrap you in His Loving Arms at this sad time! Sincerely, Betty Jean Guidroz Lough
