

John Garcia

August 25, 1956 - June 27, 2023

Coach John "Bubba" Garcia, age 66, departed from this world on June 27, 2023 in Huntsville, Texas. He was born in Shreveport, Louisiana to parents Bobby "Chico" Garcia and Elizabeth Garcia on August 25, 1956.

John grew up in Huntsville and was a Hornet at heart. He was a hot shot baseball player when he was in high school. John was a coach at Mance Park Middle School for over 30 years. He coached football and baseball. He loved all sports but was favorable to baseball. John was also an Athletic Director early on in his career at Mance Park. He was always an integral part of the coaching staff at HISD and served through many coaches from Coach Clements to Coach Southern. John affected the lives of thousands of students over the years that he coached and mentored. A huge part of the success of the high school athletics program was due to the solid foundation that he laid at the middle school.

John is preceded in death by his father Bobby "Chico" Garcia and his brother Bobby Layne Garcia. He is survived by his mother Elizabeth H. Garcia; sisters Ginny Mayes and Rebecca Zuniga; brother Larry Garcia and a host of nieces and nephews. He will be missed by many who knew and loved him.

Family and friends will gather for a visitation on Saturday July 1, 2023 at 10:00am, with a funeral service immediately following at 11:00am, at Sam Houston Memorial Funeral Home in Huntsville, Texas. He will be laid to rest following services at Adickes Addition of Oakwood Cemetery. Memorial condolences to the family may be made at www.shmfh.com.

“ I was fortunate to have Coach Garcia as a positive Role Model and influence in my life. He was my PE Coach in 4th and 5th grades at Scott Johnson Elementary School. HE would facilitate some epic kickball game and "touch" football games as well. He had a way of making these fun and celebrating the students little successes in these fun PE classes. In Retrospect, i know that Coach Garcia really loved his job because you could tell he really was proud to be a Coach in Huntsville and be a Huntsville Hornet. And that Hornet Pride that he oozed, got instilled in many of the students at that time, including myself. Wearing Green on Fridays was a big deal and Coach Garcia embodied that Hornet Spirit. I later was coached by Coach GARCIA at Mance Park in all sports, Track , Basketball and of course football. I remember him being a positive motivator , but would definetly hit you with a "Cheez & Rice " instead of using the lord name lol. If Coach Garcia used Cheez & Rice followed by your last name, you knew you he though you werent giving full effort. I suspect that if Mance Park Junior High would have had a ice hockey team he would have coached that as well. I would later see Coach Garcia during football 2 a days in the summer. Im not sure he had to be there, but I definetly know he wanted to be there. Giving that positive encouragement to his former junior high players as they transitioned to highschool. I also remember Coach Garcia giving me a ride home a few times when my familys 87 Honda Civic Wagon affectionately known as the "Barnesmobile" crapped out on us. Coach Garcia was a positive influence on my life, and I have no doubt that he was to thousands of others as well. He will be missed, and fondly remembered.

“ My prayers are for the family at this difficult time.
It was privilege to work with Mrs. Garcia at Gibbs Elementary. She was my mentor when I started teaching second grade. Then I had the pleasure of working with Coach Garcia.
I remember in 2018, I had a wreck on Houston Road, when some pulled out in the front of me making a left turn. I got out of my SUV and there Bubba checking to see if I was alright.

The Garcia family were our first friend when we moved to Huntsville. Our children were best friends. Chico gave us furniture, kept our Spanish active. John helped Charlie in school and he was just a great person to know. He will be remembered for a long time! Condolences to all the family .

“ My children were coached by "Coach Garcia" and he was truly a student advocate that impacted their lives in many positive ways. Beyond the development of their athletic abilities, he taught them that success comes through hard work, dedication to a goal, and teamwork. These skills would be foundational to their walk in life after "athletics". Thank you, Coach, for your impact on my family and thousands of others that followed your guidance.
