“ *FLO:*

We were blessed that you and John spent time in Mission Tx with us in early January. You both taught us so much about the RV life. John was a great chairman in the education department, boss, Christian, and friend to me thru good and bad times. He really cared and I will miss talking to him.

“ *Thank you to everyone for your kind words during our time of grief but also a time of joy!! we KNOW that JOHN/DAD/GRANDPA went HOME- the ultimate HOME that he worked his entire life to reach!! We will miss his dry humor, infinite wisdom and non-judging love to all. in honor of Dad's memory, do something that he would do... Pay It forward, hug someone who needs it, listen to someone without judging, this is how he lived his life always serving and trusting in OUR SAVIOR. -- Love you John and Thank you for being my Dad!!*

“ Flo and Family, we were saddened to hear about the loss of John. He was a mentor and friend to me in my short time in Huntsville. I will forever appreciate his ability to listen and bring peace to any situation. What was even better, was that he could do his magic with a smile on his face and even with the healing sound of laughter. John was a faithful brother and fellow soldier in Christ. We are praying for comfort, peace, and even joy in the middle of your tears and loss. Our love to you all. Scott, Reola, Nathaniel, and Anna.

“ Flo & Family, we know John was a great warrior for Christ. We enjoyed seeing him or attending his class when we visited church there. We appreciate the work you have done for USA program for college students & helping our daughter Amanda while she attended church there.
(Deborah) enjoyed John's teaching methods when I worked with the Eisenhower Algebra Institute through SHSU. He always was an inspiration for teaching & for his students. He will be greatly missed. God Bless you all.

“ Flo, I am at a loss for words to know how to comfort you and try to lift you up, so I'm in prayer for you. Jerry and I will continue to petition our God for strength to endure your great loss and for peace knowing John is with our Lord and you will see him again.

Our class has gone through many trials but it always seems the same, our human side doesn't know what to say or do. We know our sister is hurting so bad so in our feeble way we will be here for you, listen when needed, hug always, and let God fold you in His arms. We love you, Jerry and Dorthy

“ Flo, may God enfold you in his love and comfort in the loss of John. He lived a life of service in love and concern for everyone. Joel valued John's friendship and greatly respected his professional contributions. Seeing John and visiting with him always gladdened my heart. I pray that God will sustain you and your family in your grief.

“ Flo and family, I am so sorry to hear of John's death. He was a great teacher and helped thousands of students have a greater understanding of mathematics and how to teach the subject. I always knew that I could depend on John doing exactly what he had said he would do. The support he provided to me in both my personal and professional life was unqualified.

“ John has long been a friend, supporter, and true brother in Christ to me and my family for most of my life. He was always glad to listen, always glad to pray for my concerns, and, more than anything, a man after God's own heart. Remembering John, I cannot help but think of the fruits of the Spirit. I never knew John to look at anyone with anything but love in his heart. He exemplified the joy we find in Christ, even when our lives don't seem enjoyable. He was a man of peace, bringing people together regardless of their differences. He was a patient man who would take as long as necessary to listen to a brother's concern or help with a problem. I know few men who could stand up to the measure of kindness and goodness that John has always shown to my family and me. But above and beyond all of this, John was a man of faith in our Lord and Savior, Jesus Christ. God truly blessed me to know and love John.

May God bless and watch over those of us who loved John, especially his earthly family, so that we will remember that only his body is dead, and, on the Day of Judgment, we will see him once again.
