

John Joseph Lampl

April 28, 1971 - November 3, 2010

John Joseph Lampl John Joseph Lampl, dearly loved son, brother, husband, uncle, firefighter and friend died Thursday, October 28, 2010. He was 39. Born April 28, 1971, the youngest son of Gloria and Daniel Lampl, John grew up in Spring, Texas. While a student at Klein Oak High School, John began serving his community by volunteering with the Ponderosa Fire Department. Upon obtaining his certification, he continued his work with Ponderosa and began working for Champions Area Volunteer Fire Department. John's generous nature always put the needs of others before his own. He was a dedicated firefighter who was credited with saving at least two lives in fires. John is survived by his loving wife, Deborah (Johnson) Lampl, mother Gloria McLean, mother and father-in-law Ronald and Sharon Johnson, sister and brother-in-law Samantha (Lampl) and Gil Melman, nephews Noah and Evan Melman and niece, Rachel Melman, brother Daniel Livsey, brother and sister-in-law Brandon and Angelique Johnson, nieces Stormi and Ashlyn Johnson, and all the countless "brothers" within the fire service. “ *I had the honor of knowing John and having many fond memories when he came to firefighter school (or as he liked to say, "WooWoo" school!) at Texas A&M years ago. I will always remember his kind heart, big smile, and funny personality! My thoughts and prayers are with the family.*

“ *We were very saddened to hear about John's passing. We recall vividly from many years ago him bringing in his heavy firegear for nephew Noah and our sons to try on, likely after a long shift. That gave him 'rock star' status with our boys. Deb, Gloria, Samantha and the rest of the family - you are in our thoughts and prayers during this difficult time. The Melman-Rogers family.*

“ *Deb, please know that you are in our thoughts and prayers. I remember John coming to our rescue with his hand "slim jim" to unlock the van after Rob accidentally locked the keys inside. He spent his life in service to all. May you find comfort in knowing that he was a hero to many that he helped as a fireman. We'll see you tomorrow at the service.*

“ *I was very upset to hear of John's death..He used to come over to our house when he was in High School and hang out with my daughter Wendy. He used to love to come over and hold Beth (wendy's sister) who at the time was less than a year old.. Then I got very sick and he gave me blood..He was truly one of a kind..John's smile and his good nature will truly be missed.....sincerely, the Stephenson Family*

“ I have know John for nineteen years. We met I joined to Ponderosa Fire Department when I was in High School. We enjoyed all aspects of the fire service and each one of us at the station were very competitve in performing our duties as firefighters. If we were not at the fire station we were hanging out together with others from the department. John has left with me tons of fond memories. My thoughts and prayers go out to the family. Tell we meet again. I love you and miss you. Edward Calub aka "Pineapple"

“ John was in my fifth grade class 29 years ago and he still kept in touch. He would seem to come by Haude just when I needed some sunlight. John even found me at my new school four years ago. He was a gentleman always and one of the greatest people I have ever met over my career. I will miss his grin and silly drawl every day. Much love and concern for his family.
