“ *For John Aaron's family,
I am so sorry to hear about John Aaron's passing. I have a lot of memories for all the times spent at Uncle Willie & Aunt Deannie's house. The fun all of us kids had running, playing at Christmas time and most especially on July 4th! Hadn't talked to John Aaron in several years, but he was always a sweet and caring person. Sorry for your loss!*

“ *Janice, Dinah and I send our deepest sympathies. My memories of John Aaron are still of him as a child and then of the wonderful times he showed Joe Graves during his and Weona's visits. Our thoughts and prayers are with you and his family, and all my cousins.*

“ *Janice
I am so sorry for your loss. We didn't visit like we should have when we did get down there, but I still love John Aaron and all of you just the same. Know that I am thinking about you and pray God will be with you in the days ahead. I know you don't know me, but the few times I've seen you I could see your love for John.*

“ *John was my boss in the meat department at Safeway for several
years and he was one of the good guys. He always talked about his
family and his grandchildren and it was obvious that he loved them
all and his world revolved around his family. I am so sorry for your
loss and grateful that I had the chance to know him.*
