

John Wayne Newman

August 30, 1939 - March 21, 2019

John Wayne Newman, 79, was born in Indianapolis, Indiana and passed away March 21, 2019 in New Waverly Tx. The family finds comfort in the fact that he has once again joined his precious wife Connie of 45 years, the love of his life he so dearly missed.

John took much pride in his years spent in law enforcement and was an avid gun enthusiast. He retired after 20 years of service at Sam Houston State University in the Maintenance department. He then worked many years for the New Waverly Independent School District in Bus Maintenance. John was a hard worker and went beyond measure to provide for his family.

John loved to travel especially with his wife Connie, sometimes they rode around with no particular place to go. He enjoyed taking trips to Indiana with his family and trying new places to eat out.

He was also an excellent mechanic. In his years he put many young men to work to not only teach them but keep them grounded. John was a mentor to several of his children's friend as well.

When people remember John Newman his daughters hope they remember his friendship, years of civil service and his grace to his neighbors in need. He will be missed by all.
