“ Here I sit with some of those John held closet to his heart. It's so hard to believe that June 4,2010 God called John home to walk as an angel. John is so dearly missed. Not a day or moment goes by that John does not live in a memory. I walk the hallways and live inside these walls where John, I and the kids shared so many memories and these walls help his memory alive. He is everywhere. Please all those who knew John post a memory . . A special story . . Help me keep his memories alive and I always love to hear memories others have of him :-) John Robert Risner may you rest in peace my love and best friend. One day we will walk hand in hand again . .

“ I want to take this time to thank everybody for all they did to help in this unexpected time of need. John was a man truly loved for everything about him. He may not have had a whole lot but his heart was made of pure gold. Life threw him a few really hard and fast knuckle balls, and although his decisions and actions were not always perfect, he always made the best of any situation and meant the best. He will never be forgot and will live in the heart, soul and mind of anybody who knew him. And i look forward to the day that I get to see those blue eyes smiling at me again..

“ *My deepest sympathy to John's family and friends. He is missed dearly. He now dwells in a new Land and is only a thought away. He was a good hearted man and will be in our Hearts until we all meet again.*
