“ *It may seem silly but I can't help but picture him up in heaven with chocolate icing on his face and grinning that big grin of his. I mourn for his loss in this life and the pain it causes, but I rejoice in knowing the circle in heaven got a little bigger.*

“ *No words can express the amount of love and life that Uncle John has given to my family and the world. He will truly be missed, but know that he's just as happy now to be able to go fishing with my dad and Uncle Jake.*

The love that ya'll showed the world, with the tender care that you gave him over the past years truly is a reflection of FAMILY VALUES, AND FAMILY LOVE. Ya'll set the example of what families are suppose to do, in GODS eyes, for each other. No matter what circumstances is put in your path.

We love you and look forward to seeing you tomorrow.

“ *Aunt Barbara & family, Richard and I are saddened in knowing that Uncle John is no longer with us on this earth, but VERY JOYFUL to know that he is in a much better place than we are. I know that all of you are glad that he is no longer suffering, even though, it is hard to say goodbye. As you know the Lord will continue to protect each and everyone of you, just keep him in your hearts and ask him for help.*

We are ashamed that we have not spent more time with you since Uncle John's illness began. But know that we are always with you in spirit and love. Uncle John held a special place in my heart. We have so very many fond memories of Uncle John.

*We love you all,
Ricky and Pat Shelly*
