“ *To all the Thorne Family,*
I am so very sorry for the loss of your precious loved one John John. Sometimes we don't understand God's infinite love for us when he chooses to take our loved ones especially when they are young and in the prime of their life like John was. We must believe that God has a greater plan for John and needs him by his side to help guide us here on earth. May you find peace in your lives knowing that John is by God's side. RIP John John. You will never be forgotten

“I am so very sorry for the unexpected loss of Goon...such a sweet man...he has been a family friend for many years, but most of all I am truly grateful for the relationship that Goon and my son Chance developed over the years, something that Chance will cherish forever. He will be truly missed...Our thoughts and prayers are with his family.
