“ Dear Alice and David, I was a co-worker with John in the final months of his life on earth. He and I became good friends and I saw what good person he was in that short time. I will miss him dearly. My prayers go out to you and your family, Alice, for speedy healing. May your hearts mend tenderly and your memories be fond. -Larry Tatum.

“ Alice, I am so sorry about the loss of John. While I went to Temple High School with John, it was not until our 50th high school reunion that I met him because you were there and I had known you for years in Huntsville. You are in my thoughts and prayers. God bless you.

“ Alice and David - we are so very sorry for the passing of John. He was a wonderful man, husband, brother, father and grandfather. I had the pleaseure of knowing him since the early 70's as our families were friends... We are so grateful to have seen him and looking well at Tara and Ramon's wedding and that he was able to get to know and enjoy his great grandson's...and to see Tara get married. We will all miss him so very much but he left behind wonderful memories... Alice - he is your special angel in Heaven now and will still be watching over you and taking care of you even now...I cannot begin to imagine how you feel David - just know we are praying for you and for the strength you will need these next few days and the days to come. It breaks our hearts that we cannot be there - but we are in spirit. We love you!!! Brent and Geri

“ Dear Winslow Family - News of John's passing was communicated to me by our cousin Bettye Joe Beard. I deeply regret that I did not have the pleasure of knowing him. My late brother, Bill, enjoyed Betty Winslow's friendship, and I remember meeting her when I was four or five. Bill's and my father, J.C. Clark, was Ruth's older brother, so that is our family connection. Please accept my condolences in your time of sorrow.

From John's photograph I would say he was a loving and gentle man, and I'm sure you will miss him greatly. -- David Clark
