“ *It was sad to hear of yet another Champion forester passing away this year! Thanks to Bill Yemma on forwarding the news. Made me reflect back on my East Texas days as I started my forestry career with Champion. Lots of good folks worked for Champion including John Wylie! John's dry sense of humor and goodness know why enjoyment of chewing tobacco (filling up an old coke bottle/Styrofoam coffee cup that was close by) always made for some interesting meetings. He always seemed to have a twinkle in his eye as he would deliver his commentary on a "serious" issue leaving you to wonder about the inside joke he was truly thinking about. I was fortunate to have John as part of my Texas Champion past. My deepest sympathy to his family on their loss. He was a great forester!*

Robyn, all of us in the Dawson family, Pete, myself, our daughters Kathy Dawson McLemore in Conroe, Beverly Dawson Cobb in Magnolia send our deep sympathy and love to you as we remember your gentle, loving Dad. We knew you all well from the time you were four months old and your Mom & Dad wanted me to babysit you in our home where we also kept Jeremy Sexton. Your dear mom, Vickie, was a great friend to us as she brought you to us most days of those 5 years you & Jeremy were with us until I went back to college to finish my degree. We thought the world of your Dad and Pete got to see him some after we moved to Huntsville in 1985. We will always remember your family with the love & warmth we shared as we cared for you in Conroe from 1975 till 1980. Your Dad was so close to you in his heart & his life. Now those memories & your love for him keep him alive in your heart forever. With our I- Marilyn & Pete Dawson

“ John and I were childhood sweethearts and eventually married in 1970 and sadly divorced in 1980. Some of the happiest days of my life were spent with him and his family. John gave me the greatest gift ever, our beautiful daughter Robyn.
Rest In Peace John David. Vickie

Vickie We have really been thinking of you & John & Robyn over the past couple weeks since reading of John's passing away. We care so much for all of your family. We didn't see John alot after we moved to Huntsville in '85 but had wonderful memories of him in your precious family. You can't imagine how often we mention you and Robyn, wondering where you are and missing you guys so much. Those precious memories we have of knowing you, Vickie, babysitting for Robyn & Jeremy back in Conroe in 1975, and sharing memories for those happy five yrs we cared for Robyn & Jeremy Sexton. The girls, Beverly (Cobb) in Magnolia & Kathy (McLemore) still in Conroe have children and we tell those kids of the love & joy shared when y'all were close to us. Often, death brings with it a time for old friends to join together once more and I'm glad I had a chance to write to you & Robyn. I wrote somethin to Robyn under "comment" where Ms Madden (?) had written a note. Bev & Kathy & me are on Facebook and I know that they, & Pete & me, would love getting a note from you. Love, Marilyn Dawson
