“ I just heard the news of Jon’s passing. I wish I would have heard earlier so I could have attended his service. Jon was a great friend and mentor. I have know Jon for 35 years and will miss him dearly. When we first started working together in the 90’s, Jon gave me some advice in dealing with clients that I followed throughout my career. Jon told me that if you treat your clients the way you would want to be treated, you will never have a problem. God blessed my life by having Jon in it.

“ I was greatly saddened by Jon’s untimely death. I’ve known him as a Delt Brother since the early 1960’s. What he and his fellow Esquires did to found the Delta Tau Delta Chapter as the first men’s national Greek Fraternity at Sam Houston State University in 1960 allowed me to join in 1963. Thousands more have since joined. Ever kind, caring and jovial, Jon gave back to his alma mater and his community in countless ways that have benefited many people. God rest his gentle soul and bless his family.
