“ *My father and me have had a crazy relationship when I was growing up but I am happy to say that from the day me and my brother moved into him and Michaels house he helped me so much with getting my life together and helping me find myself and pointing me in the right direction to the right path And made me the man I am today and I am so thankful I love you dad may you rest in peace and don't worry about vatikin because I'm here to point him in the right direction like you did for me and I will never give up as in fact these are the words you told me " We are Perez's and we never give up or give up on Family." Quoted by a wise man I love you dad you will be forever missed by me mom Tio gavi and his family and your Grandchildren Marilyn and Skarlett*

“ I have only known Joe a short time, but from the moment I met him I knew he was a genuine person. My thoughts and prayers go out to Joe's family and friends. I'm sure, from Heaven, he'll continue to watch over his boys. (so always be on your best behavior) My condolences.
