

Jose Luis Valles

October 8, 1960 - July 4, 2020

We were not ready to say goodbye, but Jose, never one to do things casually, chose to leave us on a day we will always remember, July 4th, 2020.

Born in 1960 to parents Salomon T. and Bertha Valles, Jose was second eldest of ten children. With our parents' love and guidance, he learned the value of hard work and integrity from a young age. In 1979, Jose graduated from high school from Dell City, Texas. He was a strong athlete, excelling in football, basketball and track. He wore many work hats throughout his life; farm hand, driving instructor (he taught our Mom how to drive a stick shift when he was 9), mechanic, electrician, juvenile detention guard, prison guard, and Peace Officer.

For the last 27 years, as a member of the Huntsville Police Department, Jose worked as a Patrol Officer, a Senior Officer, a Detective assigned to the Federal Task Force, a Corporal, and lastly, as a Patrol Sergeant. Some career highlights include working as a Community Officer, Bike Team Officer, Intoxilizer Operator, Drug Recognition Expert (DRE), Field Training Officer (FTO), and TCOLE Instructor. Jose was one of the founding members of the HPD SWAT Team, remaining in that capacity for a number of years. He also earned the Department Shooting Bar with Cluster numerous times along with his TCOLE Master Peace Officer License.

Jose leaves behind his beloved wife Sharon. He is survived by his sons, Roman Valles and his wife Frances, Damian Valles and his wife Crystal, Adan Valles and his wife Kaitlyn, and Nicolas Valles; daughters Savannah and

Nicole Valles; stepchildren Laiton, Kaitlyn and Madison King; grandchildren Adrianna and Evander Valles, Athena Valles, Arielle Joselyn and Damian Ezequiel Valles, Blake Rose and Zaidyn King. He is predeceased in death by his brother, Rodrigo, his father Salomon T. Valles, and infant children Rosa Maria and Gabriel Valles. He will be greatly missed by his mother, Bertha Valles, his eight siblings, his numerous nieces and nephews, three great nephews and his great niece.

To quote Chief K.P. Lunsford, "Jose has served his Huntsville community with the utmost Honor, Professionalism, and Dedication. Jose was very much a person of Honor. I've known few people whose compass points constant true north, but without a doubt, his did. Mostly. Well, sometimes there was a slight quiver. He was perfect only in the eyes of his mother. As a brother he was easy to look up to and respect, as a father he was awesome to behold. As a husband, well that is Sharon's tale to tell. He had an insane sense of humor. He used 'scared straight' tactics to encourage a younger brother to take the right path and laughed all the while said brother might've had to change his pants. His children often were victims of his pranks. I don't know when they finally learned where apple juice really came from. On the other hand, he was a great listener and gave profoundly sage advice. He was a most beloved son, brother, husband and father. He will continue to live in our hearts and lives as his name will still be spoken".

'A limb has fallen from the family tree. I keep hearing a voice that says "Grieve not for me. Remember the best times, laughter, the song. The goof life I lived while I was strong...Until the day comes we're together again." Author Unknown.

“ A cop’s cop. When assigned to him for field training, I had about 30 years experience. We got along great. Seldom saw him that he did not have a grin.. maybe a smirk. Prayers for the family.

“ It is with great sorrow that Jean and I learned of Jose's passing. We are both sure he is in a much better place; however, I'm not sure that fully comforts his family. Please know this, Jose and I had our differences, and I'm sure he did not agree with all of my decisions. That's ok, he was a fellow police officer, a mentor, and I learned much more from him than he did from me. Bobby and Jean Sanders
