“ *My heart goes out to you all in this time of great sorrow. I have so many fond memories of Jo. She and Bob stayed with us when they evacuated the hurricane and they were the epitome of perfect house guests. We loved their time with us and the way they fit right in and became a part of our family - the kids especially liked the extra ice cream treats they got after supper! My favorite part of their stay was the chance to really get to know them better. Jo was always especially upbeat and up for any fun we had in mind. I loved her laugh, her wit, and her sense of humor. It was an honor to know her and count her as a friend - no family! This Earth has lost a great angel, but we know she is still with us, watching over us and I can still hear her wonderful Louisiana drawl. May you rest in peace, dear Jo.*
