“ *I just learned of her passing. She was a very sweet person. I grew up with Lynne. Her mom was the kind of person that you enjoyed visiting and talking to. I have not been able to see her in the later years, but she will be sadly missed in my family. I'm sending all our prayers to Lynne and her Dad and the other family members. I will say a prayer for the family. With all my love, Maryann & family.*

“ *My condolences go out to the family. I am a CNA at Park Manor and I took care of Mrs. Hyman on her first visit to us last year. She was a very special lady and I will miss her very much. I had the privilege to help assist in her care on her last visit. I hope the family will find comfort in knowing how much I cared for her and loved her. God bless you all.*
