“ *Joshua Ryan was a very rare and real soul. He understood life and all the trials and tribulations that come with life. He was a protector and never once did he let me forget my purpose in life, or that i was designed perfectly in Gods image as a Strong Woman & Mother. Josh comforted me through some of my hardest days, encouraging and reassuring me that i was strong like his beautiful Mother and i would overcome all obstacles and i have. I wont ever forget his rare soul because the world is so limited on those kinds of souls that touch our hearts and imprint special places in pur soul for eternity. Rest in peace brother. You are and always will be a part of me that was good and i will carry on your name and legacy in nothing but respect and positivity. I love and miss you Joshua but, i cant and wont doubt Gods ultimate plan.*
