Our time with you Joyann was a blessing. Thank you for teaching us how to love life the way you did. You are in Heaven now and we know those Bluebonnets surround you. You must be so proud to see how strengthened your family is now after watching you battle. God called you home Tuesday, January 23, 2007 and for a short time it felt like we were alone. But we saw in your daughter your caring heart and stoic beauty as she held your hand all night. We felt the unique comfort through your mother that was so filled throughout your soul. We can always view your enigmatic smile when we see your granddaughter. We will always enjoy that fearless approach to life instilled in your grandson. Thank you for being such a wonderful daughter, mother, grandmother, sister and the one and only Aunt Joy. In loving memory, Daughter, Kimberly Miller; Son-In-Law, Dan Miller; Mother, Frances Ludean West; Jack West; Grandchildren, Daniel and Juliann Miller; Sisters, Jodean McCarty, Jacqueline West, Janan Bailey and a host of enduring nieces, nephews, extended family and friends. In lieu of flowers, the family asks that memorial donations be made to the St. Jude Childrens Hospital.

“ *It will be the little things  
that you will remember  
the quiet moments, the smiles,  
the laughter.  
And although it may  
seem hard right now,  
it will be the memory  
of these little things  
that help to push away the pain  
and bring the smiles back again*

*I speak for both Sissy and myself when I say we loved Aunt Joy!  
God bless you Kimberly.*
