“ *I want to say that I am so sorry for your lost. We loved your mom so much. We have known her since we were kids. She would call every month just to say "Hi" when she lived her in Houston. She was one of the finest and most caring moms in the world. We will miss her.*

“ Buddy,
Gwynne and I offer our condolences on the loss of your Mother. I will be out of town tomorrow and unable to attend her service. We have both been through the hard experience of losing our Mom, so know firsthand the sorrow involved in such a major loss. From her obituary, she surely sounded like a great Mom! You and Maureen are in our thoughts and prayers during this difficult time.
