Juanita Helen Hobson Grisham Hinson Wife, mother, grandmother, sister and aunt passed into her Heavenly Home June 24th at 10:35am after a long and lengthy battle with cancer. She died peacefully at home with her family and close friend Betty Cook at her side. Juanita was born November 22nd 1931 in Leon County, Texas to Hance and Helen Hobson. She was born at home, delivered by a mid wife. Preceding her are her father Hance Hobson, her mother Helen Hobson. Sisters Patsy Hobson who died at childhood, Ada Bell Corcoran, and Margaret Lucas. Sister in law Ann Shafer. Surviving her are her husband E J (Pee Wee) Hinson, sons Larry and wife Martha Grisham, Tom and wife Debbie Grisham, Kenny and wife Karen Grisham. Brothers, Carl Hobson, Robert and wife Jean Hobson, Gerald and wife Jeane Hobson, Curtis and wife Beverly Hobson. Joe Shafer and wife Sue. Sister, Bennie Hobson and companion Fran Jacobs. Grandchildren, Chuck and wife Karen Grisham, Mark and wife Angela Grisham, Trisha and husband Jason McCaffety, Tiffany Grisham, Kelly Grisham, Jamie Coker, Lisa and husband Kerry Nampkin, Kody and husband Brooks Shepard, Kacey and husband Reagan Ratcliff. Great grandchildren, Laura, Hunter, Jacob and Chase Grisham, Aaron Skeens, Ashley and Austin McCaffety, Addison Trueheart, Lesley and soon to arrive Kameron Nampkin. And numerous nieces and nephews. Juanita worked as a dental assistant for 21 years. Then groomed dogs for 10 years. She also had a career with TDCJ where she worked as a dental assistant for 11 years before retiring at 71 years of age. She was a member of Northside

Baptist Church from the first day the church started in the mobile home. She loved her church and her pastor Reagan and his wife Vickie Cooksey, her Sunday school class, her teachers and the members. She served as President and Vice president of her class and was still a Group Captain. She worked in the nursery, cooked and served for many funerals until her illness kept her from it. During her courageous battle with cancer she had a close walk with her Lord and loved serving others. With every conversation if you asked her, hi how are you? Her answer was always I'm fine, how are you? She loved to bake her favorite desserts for funerals and family dinners which were chocolate and coconut pies. Even when she was having difficulty standing due to the pain, she would sit in a chair to make her pies. The family request that in lieu of flowers, donations be made to the Northside Baptist Church Building Fund, 1207 FM 980, Huntsville, Tx 77320. Visitation will be from 3-5:00pm on Sunday, June 26 at the Sam Houston Memorial Funeral Home. Services will be at 10:00am on Monday, June 27 at Northside Baptist Church with interment following at Clines Prairie Cemetery. “ *To my dear Aunts and Uncles, my dad, and cousins: Even though I couldn't be there today, my heart and prayers are certainly with you. Having lost my mom to cancer last August, I know how devastating it is on the family. Aunt Juanita was a good, kind, and caring person and always put others first. She is in good hands now and her heavy burden has been lifted. God bless you all and may your sorrow be lessened by the sincere love and concern of your family and friends. I really miss and love you all and hope to see you soon.*

“ *Kenny, sorry to her about your mom, only to really say I'm sorry you have to live without her now. The best think out of death is that she gets to see the Oh mighty God. It is sad for her love ones that are left here and great for her. She will get to bake here pies in heaven for God. The one great thing for her love ones is that you have all the memories and love she showed you when she was here. When you hear the noises from heaven you know she is dancing and having no pain anymore. You will always keep her in your heart and sole. God bless you and your family*

“ Bennie, Fran, and family. My heartfelt condolences for the loss of your beloved Juanita. Someone sent me the following when I had a loss and I want to share it with you now.

*Gone From My Sight by Henry Van Dyke.*

*"I am standing upon the seashore. A ship at my side spreads her white sails to the morning breeze and starts for the blue ocean. She is an object of beauty and strength. I stand and watch her until at length she hangs like a speck of white cloud just where the sea and sky come to mingle with each other. Then, someone at my side says: "There, she is gone!" "Gone where?" Gone from my sight. That is all. She is just as large in mast, hull, and spar as she was when she left my side and she is just as able to bear her load of living freight to her destined port. Her diminished size is in me, not in her. And, just at the moment when someone at my side says: "There, she is gone!" There are other eyes watching her coming, and other voices ready to take up the glad shout: "Here she comes!" And that is dying."*

*May your sweet memories help you through this difficult time.*

“ This Lady was an inspiration to family and to friends. She would be seen at recent weddings with a warm smile and cheerfulness that masked her health struggles. 'Till the sound of the Trump!

“ *PeeWee, Tom and Larry.  
Our hearts aches for you, but what fun memories you must have because Juanita was always full of joy and fun to be around. I remember our "Pumper Race" team of girls and how she could fly with that hose. I have some pictures that I will bring by the station for you to keep of us at the races. Be strong.*

“ *My dear friend and co worker. I was more blessed than you, the day you came to work with me. What a wonderful time we had reminising about family and your childhood as we worked together. There was never a doubt how much you loved your boys and your family as you spoke of them every day. My prayer is your family to find comfort in the promises that a family can be together for ever. May the Lord bless them in this time of sorrow.*

“ *Aunt Juanita was an inspiration to me and many others. I have fond memories of Mike and I spending weekends at her house. I loved to see her driving her convertible T-bird with her hair made up and wrapped in a scarf...what a classy lady! I always loved her thoughtfulness, sweet spirit and her Christian witness. I will miss you Aunt Juanita.
